EFINANCIAL LLC,

Defendant

CASE NO. 2:20-cv-01351-RAJ-BAT

**ORDER GRANTING UNOPPOSED
MOTION TO FILE UNDER SEAL
CERTAIN SUMMARY JUDGMENT
EXHIBITS**

The Court GRANTS Defendant's unopposed motion to file under Seal. The Court finds:

1) Plaintiff's legitimate interest in ensuring the privacy of his personal identifying information and health information warrants the relief sought; 2) If this information is not sealed, Plaintiff could be exposed to some harm; and 3) While Defendant has filed redacted versions of the exhibits, Plaintiff's provision of this information plays a central role in Defendant's Motion for Summary Judgment. Accordingly, the Court ORDERS Defendant Efinancial LLC's Motion to Seal (Dkt.29) is GRANTED.

DATED this 16th day of April, 2018.
